

The NHSPE is proud to sponsor the annual

***NH Department of Environmental Services (NHDES) Update
Luncheon Meeting
(1.5 PDH will be awarded for this event)***

Come hear about the following current and upcoming NHDES issues:

- **Ted Diers, Administrator of the NHDES Watershed Management Bureau** will provide an update from the surface water quality world. This will include recent changes to water quality standards (toxics, ammonia, etc.) and newly minted legislation (dissolved oxygen, nutrient effluent limits), and how they may impact development projects and wastewater treatment facility (WWTF) effluent permits. He will also talk about the draft proposal on how to satisfy antidegradation requirements in the NPDES MS4 general stormwater permit for NH that becomes effective in 2018.
- **Ridge Mauck, PE, Administrator of the NHDES Terrain Alteration Bureau** will provide an update on the Alteration of Terrain rules adopted 8/15/17, common application errors and omissions, and an update on NHDES stormwater BMP Inspection and Maintenance efforts for permitted sites.
