

SENH JANUARY MEETING ANNOUNCEMENT

NEXT MEETING: Thursday, January 18, 2018

PRESENTATION #1: **NHDOT Bridge Program Update**, by *Robert Landry, PE* – Find out what has been going on at NHDOT and what is on the horizon.

SPEAKER: Robert Landry, PE – NHDOT Bureau of Bridge Design Administrator

PRESENTATION #2: **WYNN Casino, Everett, MA:**
A 3.6M Sq. Ft. Casino & 22-Story Hotel Design Project

The One of the largest privately funded construction projects in New England is also one of the fastest to be constructed. The Wynn Casino represents a complex design with many challenging aspects in the below grade garage, the post-tensioned Hotel and the long span convention center. The project will have up to 4,000 construction workers on it at a time.

SPEAKER:

Adam McCarthy, PE - Principal, McNamara • Salvia

Mr. McCarthy a member of McNamara • Salvia team for over 20 years, possesses a detailed approach to structural design and project management. Adam is well-rounded in all aspects of complex structural systems, as well as respected throughout the industry for his experience and strong collaborative skills. In his spare time, he shares his expertise as a structural advisor to architectural thesis candidates at the Boston Architectural College.

Brent Shannon, PE - Sr. Project Manager, McNamara • Salvia

Brent has over 10 years of structural engineering experience primarily serving office, hospitality, and high-rise residential clients as well as mission-critical clients for complex office building conversions into high density data centers. He has delivered creative, simple, and cost effective structural solutions for challenges ranging from new structures constructed over and adjacent to dense urban infrastructure to navigating the International Existing Building Code to prevent cost prohibitive and unnecessary upgrades to retrofitted buildings.
